The Top 3 Best Movies of 2019

Today I will be ranking the top 3 movies of 2019. They will be ranked by how much money they brought in while in theaters. Many movies during this year were great. Some of them sucked. But here are the top 3 movies that rocked the box office this year.

1. Avengers: Endgame

This movie for sure rocked the box office. Beating the previous #1 movie Avatar's gross, the movie brought in a worldwide gross of \$2,764,881,856.

2. Captain Marvel

This movie was the second all time grossing Marvel movie, after Endgame. The movie brought in a worldwide gross of \$1,128,248,013.

3. Aladdin

As any other Will Smith movie, this one brought in a lot too. Turning the 90s classic into a live-action. The worldwide gross for this movie came out to \$876,797,981.

There were many good movies in 2019, that brought in a lot of money. But these are the movies that rocked the box office and claimed their top places. Here's to the new year and there are lots of new great movies that will be coming out!
