I Hate Butterfly

I-

The 9th letter in the alphabet.

It can mean many different things.

You can say anything after "I."

"I like technology, I go to Disney World, I am tired."

Hate-

This word can be used negatively.

Intense or passionate feelings of dislike.

Feelings that rip apart friends, families, nations alike.

It is a common thing these days.

It is used too much.

Butterfly-

The most tiring of all strokes.

The most energy consuming of all strokes.

The most dreadful of all strokes.

But the most rewarding of all strokes.
