Poetry Week One

Metaphors:

- **Friendship** is **gum**, because it can lose its flavor.
- **Love** can be a **video game**, where at times you get very mad at it.
- The **World Wide Web** is a giant **web**, with millions of devices connected to each other.
 - **Betrayal** is a **nail**, because it hurts.
 - **Laughter** is the **music** of the soul.

Extended Metaphors:

- *Hope is the thing with feathers
That perches in the soul,
And sings the tune — without the words,
And never stops at all,
And sore must be the storm
That could abash the little bird
That kept so many warm.*

(continued on next page)

- *You've got to know when to hold 'em
Know when to fold 'em
Know when to walk away
And know when to run
You never count your money
When you're sittin' at the table
There'll be time enough for countin'
When the dealin's done*

- *Life's a road that you travel on
When there's one day here and the next day gone
Sometimes you bend and sometimes you stand
Sometimes you turn your back to the wind*
