**Poem Title:** What Makes a Friend?

**Poem Author:** Ashley Olson

A friend

What makes a friend?

A friend

Is someone that everyone needs

A friend

Is that special one

A friend

Is someone you tell EVERYTHING

A friend

Is someone you never lie to

A friend

Can be a boy or a girl

A friend

Is someone that is always there

A friend

Will always listen to you

A friend

Always has input to give

A friend

Will never leave you in the dust

A friend

Will help you through the thick and the thin

A friend

Will always stand by your side

A friend

Will never let you down

A friend

Is someone everyone needs

What would you do if you didn't have a friend?

**Response to Poem:**

I liked this poem because it really shows what makes a friend, and it inspires me to be a great friend to people. I always strive to be a better person to people, and not a crap person. A poem like this shows people how to be a friend to other people.
