

04.01 Assignment Instructions

Using complete sentences, answer each of the following questions:

1. Which novel have you chosen to use for the assignment? Thoroughly explain why this is the best choice for you.

I have chosen to read *The Great Gatsby*. I chose this book because the theme of the book seems more interesting to me than the other two. Also, I get a bit of a history lesson within it as well.

2. How do you plan to read the novel?
For example, will you read X number of pages per week for three weeks? or Will you read X number of pages per day for a certain number of days

I plan to read as much as I can at one time, and finish the book as quick as I can, while still understanding the book at the same time. I don't like spreading time out when reading a book, as that will make it take much longer to finish the book.

3. Explain how this plan fits into your daily schedule of academics and activities.

Usually every day I have a plan of what classes I am going to work on that day. I will designate reading the book under the time I have set for working on English related things. And I have all day as well for the most part, so I can read the book at whatever time throughout the day.
